

Storytelling

Comprehension is making sense of text.

Materials:

- Paper
- Pens or pencils

Preparation:

- None

Activity Instructions:

1. Distribute paper and pens or pencils to participants.
2. Ask each person to begin a story by writing one sentence on the page.
3. Instruct everyone to pass his or her paper to the left.
4. Participants then add another sentence to the story they have just received and pass the page to the left again.
5. This continues until stories return to the people who started them.
6. Invite participants to take turns reading their stories out loud.
