

The following two motions were adopted by 2021 Convention Delegates:

1. Proposal for 143 resolutions be rescinded during the 2021 National PTA Annual Meeting. ([This is a list of the resolutions to be rescinded.](#))

2. Add a resolved clause to all existing and future resolutions:
 - Add a resolved clause to each existing resolution to note the seventh year following its adoption: *“and be it further, RESOLVED that this resolution shall be in full force and effect until the last day of June YEAR.”* (All resolutions adopted more than seven years ago will be assigned a rescission date.)

 - That all future resolutions have the clause *“and be it further, RESOLVED that this resolution be in full force and effect until the last day of June in the seventh year following its adoption.”*

Note: Nothing in these two items shall prevent a resolution from being re-presented and adopted again for another seven years, should that be the will of the members at the annual meeting.
