

Proposed Bylaws Amendment: Strategic Vision Committee

Article XI - Committees, Section 1. Standing Committees. A. Composition, Appointment, Accountability, Ex-officio Members, Subcommittees, and Term. B. Responsibilities of Committees. 7. Strategic Vision Committee.

Motion:

Eliminate the Strategic Vision Committee as a standing committee.

Rationale:

The Strategic Vision Committee was created to ensure alignment of the work of other National PTA committees with the National PTA Strategic Plan. Much of this work has been accomplished for the current Strategic Plan. A new Strategic Plan will be developed in the near future, which will require a committee with a different mission. Changing the committee’s status allows the National PTA President to develop a committee structure that will accomplish the upcoming need for a new strategic plan.

Proposed Amendment:

Amend Article XI, Committees, by striking out ‘strategic vision committee’ in all places in which it appears.
