Community

PTA creates a network of support for families during the busy, fast-paced school year. There are hundreds of opportunities for parents, teachers, administrators, business leaders and political leaders to build the relationships that help our communities thrive.

Advocacy

For over 120 years, National PTA has been the conscience of the country for child and youth-related issues. PTA members advocate every day for federal, state and local policy initiatives that better the lives of every child in education, health and safety.

Programs

PTA provides research-based, high-quality programs that encourage families to explore everything from the arts and STEM, to healthy lifestyles and school improvement initiatives. They're innovative, easy to implement, and even better—they're fun!

Grants

Your membership in PTA gives you access to hundreds of grants to help you better engage families, support student success, improve the health and safety of students and families, increase access to arts education or celebrate advocacy and diversity.

Leadership Development

Expand your knowledge and explore new interests with training and tools to help you transform into a dynamic leader for kids, families and schools.

Resources

PTA brings you the latest parenting advice, teaching tools, programs, leadership development and advocacy training to help PTA members stay on the cutting edge, save time and give more to our nation's children.
