SCHOOL OF EXCELLENCE

UNITE FAMILIES AND SCHOOLS FOR THE SAME CAUSE – *STUDENT SUCCESS*

BECOME A NATIONAL PTA SCHOOL OF EXCELLENCE TODAY!

Research shows strong family-school partnerships make the difference.

No matter what their family income or background may be—students with involved parents or caregivers are more likely to earn higher grades and test scores, attend school regularly, have better social skills, and graduate and go on to postsecondary education.¹

Gain national and community recognition for strengthening your family-school partnership.

Through **National PTA's School of Excellence**, your school and PTA will work together to increase family engagement in student learning and school improvements. Access all the tools you need to track the difference you are making at your school when you partner with families.
