I Matter Because...  
Division: High School  
Category: Visual Arts  
Title: **Light**

This work was inspired by the prompt "I Matter Because". I thought of all the reasons why I think I matter and I realized they shared many characteristics with fire. A tiny flame can light up a room and provide warmth. This is comparable to why I think I matter: I matter because of the positive impact I can make in the world (like lighting a room) and the love and warmth I share with my family and friends. The match/fire in my art piece is a metaphor of this.
