Submittable FAQ

What are the different types of PTA?

- Local – Local PTAs are affiliated with one public school or multiple public schools or a specific community (i.e., LGBTQ, Special education).
- District/Council/Region – A D/C/R supports a group of local PTAs within an area (i.e., by city, county, school district).
- State – A state PTA supports all PTAs within their state, from chartering a PTA to annual training.
