

# LET'S ROLE PLAY: SCENARIO 1

**Your PTSA surveyed its middle school parents for feedback to understand what PTA should focus on and they said they were concerned about:**

- Fights among students
- Bullying
- Helping their kids deal with mental health issues

**Students surveyed said they were concerned most about:**

- Being prepared for high school
- Drama

**Teachers, Staff and Administrators attended a listening session with PTA leaders and shared their concerns about:**

- Low family engagement and volunteerism
- Lack of after school offerings for students who aren't athletes
- Negative PR/media coverage endured from fights among students prior year

# LET'S ROLE PLAY: SCENARIO 2

**Your elementary PTA surveyed its parents for feedback to understand what PTA should focus on and the majority indicated:**

- They want to see the children read better
- They were concerned about lack of technology at school
- They hope to connect with other families more

**Students surveyed said they:**

- Want more recess options
- Want to have more fun events and activities

**Teachers, Staff and Administrators attended a listening session with PTA leaders and shared:**

- They think parents aren't reading with their kids at home
- They lack resources for classroom books and technology
- They have limited time to support after school programs or events
